A Coffee Shop

<https://jyotirmay-ai.github.io/a-coffee-shop/>**Front-End Developer | Mocha Delight - Coffee Shop Website**

I developed a responsive and visually appealing website for Mocha Delight, a boutique coffee shop. Leveraged HTML, CSS, JAVASCRIPT and Bootstrap 5 to create a user-friendly interface that showcases the shop's menu, ambiance, and location. I implemented smooth navigation and interactive features to enhance the customer experience. I was focused on mobile optimization and cross-browser compatibility to ensure seamless access across all devices.
